

ABOUT VIETNAMESE CHRISTIAN RECOVERY MINISTRY (VCRM)

VCRM is a non-profit organization in the US (501 c3). Our goal is to support the local work in Vietnam to help individuals recover from drug and other addictions, prostitution, and other destructive lifestyles through the transforming power of the Gospel. With your donations, we have been able to support evangelical events at the state-run rehabilitation centers in Vietnam, provide salaries for the staff at Aquila, the Christian rehab center, and give scholarships to those who can't afford the cost of the recovery program.

PURPOSE OF FUNDRAISING

Recognizing the need to help the women in the bondage of drug addiction, and prostitution, by faith, we started a project to build a Christian recovery center for women. This would be the first Christian recovery center for women in Vietnam. With your faithful giving, we have bought a piece of land in the outskirts of Hanoi. Just when we began the foundation work for the building, Covid-19 happened and the construction was halted. The next step, we are in need of \$200,000 to complete the construction of the building and furnish the interior. When the work is complete, the center will be able to house 50 students. This is the place where many women will come to know Jesus and their lives will be transformed. Moreover, they will be witnesses to their families, relatives, and friends. We have seen what the Scripture described in "Believe in the Lord Jesus, and you will be saved—you and your household". This is happening with the people who were saved from the grip of drug addiction.
